Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

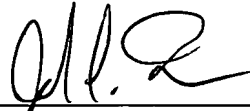

On April 4, 2007, a Notice of Allowance was mailed regarding the above mentioned patent application. Upon reviewing his file regarding the application, the undersigned noticed that there was no record that Applicants' Information Disclosure Statement filed on November 17, 2003 and the art cited therein were made of record. A review of the U.S. Patent Office's PAIR system further indicated that the Information Disclosure Statement was not entered and so was not received by the U.S. Patent Office. A review of the undersigned's records indicates that the U.S. Patent Office did receive the Information Disclosure Statement and the cited references on November 19, 2003 as evidenced by the attached copy of the return postcard. It is apparent

that the U.S. Patent Office lost the Information Disclosure Statement and the cited references.

Accordingly, Applicants are resubmitting the Information Disclosure Statement with this paper by presenting copies of the transmittal letter, Information Disclosure Statement, 1449 Form as filed on November 17, 2003. Applicants are also submitting a copy of the cited European patent publication only since the rules of the U.S. Patent Office do not require copies of cited U.S. patents.

Please consider the resubmitted Information Disclosure Statement and the cited references by initialing the attached 1449 Form.

Respectfully submitted,
